

VENUE HIRE INFO PACK

The GAP is a youth arts organisation and cultural space based in Balsall Heath, Birmingham. Our work seeks to create opportunities for children and young people to make sense of the world through creative and cultural action by delivering a range of participatory projects in a variety of artforms that are rooted in our values of *Exploration*, *Imagination*, *Justice* and *Belonging*, as well as providing development opportunities for young creatives.

All of this takes place within our venue, a vibrant, colourful and welcoming community arts space based in The Old Print Works, a post-industrial building that is accessible directly from the high-street.

Our venue is made up of three different spaces (listed below) that have flexible usage to accommodate many different types of activity, including functions, meetings, performances, workshops, screening, training events and more. We will work with you to find what space best suits your needs.

In addition to having access to a unique and welcoming space to host your event, by hiring our venue you'll be making a vital contribution to supporting our work and charitable aims. The GAP is a registered charity, and all revenue from venue hire goes straight back into supporting our work.

Accessibility

The GAP is located inside The Old Print Works, a listed building in Balsall Heath. As such, physical accessibility is unfortunately a bit limited.

There is one step at the entrance to the cafe and gallery, and a ramp can be provided if you let us know in advance. The basement is located down a flight of stairs and unfortunately, at present, there is no step-free access to the basement space.

The main toilets are also located in the basement. However, The Old Print Works now have an accessible ground floor toilet which is located to the rear of the building. There is a wheelchair available at the front of the building to assist anyone with limited mobility to reach these ground floor toilets.

If you require more information about accessibility, please ask us for a copy of our accessibility pack, which goes into further detail.

How to get here

The GAP Arts Project is located inside The Old Print Works at 498-500 Moseley Road, Balsall Heath, Birmingham, B12 9AH.

A link to the Google Maps page: https://goo.gl/maps/XiUXhMz4XumqYrxm6.

<u>Bus:</u> The number 50 bus (timetable can be found <u>here</u>) stops very close by and runs very frequently.

<u>Train:</u> The closest train stations are in Birmingham City Centre. It's about a 35min walk from New Street, or a 10 minute ride on the number 50 bus

<u>Cycling:</u> There is ample cycle parking outside the building and in the courtyard of The Old Print Works (don't forget your bike lock!)

<u>Car:</u> There is no designated general parking for The Old Print Works, only space for disabled parking, so anyone coming by car is advised to park on a nearby street (our suggestion is Edward Road just opposite). The traffic on Moseley Road is quite heavy, so we advise other forms of transport if possible.

If you have heavy equipment you need to unload, it's possible to unload outside before parking somewhere else.

Costs

Costs are determined on a case-by-case basis, and the overall cost will depend on factors such as time, staffing and facilities required.

Please note, we are a young person's arts charity run largely by volunteers. We offer subsidised rates for certain groups and, if you can afford to pay a little extra, that will help us to keep hire rates lower for young people and community groups with lack of funds.

Please complete the booking enquiry form with as much information as you can, which will enable us to calculate the cost.

Hire Enquiry form

The Hire Enquiry can be found and filled out here:

https://docs.google.com/forms/d/e/1FAIpQLSeQjiVrk-TCcXYWLJe5eV2ql1-mq9e9SXyEFIpqW1DeCCTT1w/viewform
